PrePitched is a B2B Dry Hire company specialising in high spec 5m Bell Tents, 5m half-moon polypropylene matting, and single beds with mattresses.

- *Extend your stock*
- *Upgrade your offering*
- *Increase your capacity*
- *An alternative to purchasing and maintaining.*
- *Avoid annual storage costs*

Whatever the reason, we have a large stock to assist you grow and upgrade.

Single Metal Beds

Our single metal beds with wooden slats measure 90x190cm and come with 10cm or 15cm mattresses. They have fold-in legs and are very sturdy.

5m Bell Tents

Our 5m Bell Tents are the highest quality 350gsm poly-cotton canvas with zip on ground sheet, separate fly screen door and 4 windows.

Available to businesses with experience handling Bell Tents.

All stock is new this year.

PrePitched Bed & Tent Rental

5m polypropylene half-moon mats

Our 5m polypropylene half-moon mats are made from 100% recycled materials. They cover and protect the ground sheet, making the cold ground feel warm and comfortable.

They can be hired alongside the tents or on their own.

PrePitched

At Pre-Pitched, we prioritise flexibility, friendliness, approachability, quality, affordability and exceptional experiences in all we do. We aim to create tailored solutions, build strong relationships, and deliver the highest quality products and services. Our goal is to provide an affordable and efficient hire service where everyone feels valued, supported, and happy.
